Dear Parents and Carers,

As part of our commitment to creating an inclusive, respectful and welcoming school environment, we are continuing to deliver the No Outsiders programme this year. This programme is designed to teach children about equality, respect, and diversity, ensuring that every child feels valued and celebrated for who they are.

As a staff team, we have carefully reviewed the texts and learning intentions used in the programme to ensure they:

- Cover the protected characteristics set out in the Equality Act 2010, such as race, religion and beliefs, disability, sex, and family structure.
- Meet the needs of our children, providing age-appropriate content that supports their personal development and understanding of the world.
- Reflect our community values and the wider context of modern-day Britain, preparing our pupils to live and thrive in a diverse society.

The texts chosen will be used in lessons and discussions to encourage children to think critically, empathise with others, and develop positive attitudes. We believe this work is essential in equipping our children with the knowledge, understanding, and respect they need both now and in the future.

If you have any questions about the No Outsiders programme or would like to view the texts we are using, please do not hesitate to contact us.

Thank you for your ongoing support in helping us create a school where everyone feels they belong.

Yours sincerely,

Mrs A. Dodd
