Dear Parents,

We're thrilled to share that our incredible Reading Nook is now complete!

It's been a huge team effort – from fundraising and planning to painting, decorating, and sourcing furnishing and books. It's been a mammoth task, but one that has truly paid off. This past week, the children have absolutely loved spending time in the space, and it's already becoming a cherished part of our school.

We couldn't have done it without the support of so many people and we'd like to say a heartfelt thank you to everyone who helped make it happen:

- Geoff Wood – for building the nook and turning our vision into reality
- Sarah Smith, Helen Stephens, Rachel Evans, and Mrs Fowler – for your amazing work painting and decorating
- Nicky Adams – for sourcing some gorgeous new books to fill our shelves
- Amy Harper - for the beautiful door sign
- Nick Scarsbrook and Stow Aggregates – for the materials and your time in expertly fitting the ceiling at no cost to the school
- Mr Sallis Senior – for fitting the floor tiles so beautifully

And lastly, but by no means least, thank you to all of you, our wonderful parents. Your generous contributions through cake sales, movie nights, fetes, and other events funded this entire project. Because of you the children of Gretton now have a magical space to read, imagine, and enjoy for years to come.
