Wednesday 1st October 2025

Dear Parents and Carers,

We are excited to launch a special competition celebrating Amazing People from history – individuals who have inspired the world with their courage, determination, intelligence, and creativity.

From Rosa Parks to Stephen Hawking, Anne Frank to Jesse Owens, we want to shine a light on those who have made a difference, often in the face of great challenges.

Children are invited to create a fact file about an amazing person of their choice. This could include key facts about their life, achievements, and why they are inspiring. Fact files can be presented as posters, leaflets, or creatively designed pages, we encourage originality and thoughtful presentation!

Each class will be given ideas to help get them started, but children are welcome to choose any individual they admire.

Important details:

- Closing date: **Friday 17th October**
- Display: All entries will be showcased in the school hall
- Prizes: Small awards will be given for creativity and effort

We can't wait to see the incredible work the children produce as we celebrate the lives and legacies of these amazing people.

Thank you for your continued support.
