13th November 2025

Dear Parents,

I have planned a trip for Wednesday 3rd December for Kingfishers to visit the Black Country Living Museum as part of our history work on timelines and childhood in the past. The Black Country Living Museum is an open air museum formed of buildings carefully restored from all over the Black Country and is an incredible learning experience.

During our visit the children will get the opportunity to be 'real' Victorian children in the Victorian schoolroom (please make sure hands and nails are clean and shoes are shiny!), and they will also get to take part in a toys workshop where they will be able to experience toys from the past. We will have time to explore the rest of the museum and spend time visiting some of the buildings. It is a really interesting place and I am confident the children will have a great day.

We will be leaving at 8:50am promptly and should be back in time for the end of the school day (depending on traffic). We will keep in touch with the office, so if we are likely to be late Mrs d'Arcy will be in touch via text. Please ensure your child is at school when the gate opens at 8.30 so we can leave on time. Your child will need to bring a snack, water bottle and a packed lunch. Normal school uniform and a warm coat is to be worn please.

The cost of the trip will be £21.00. Please make payment via ParentPay, where you will automatically give consent for your child to attend the trip. Please note that if insufficient voluntary contributions are received, the school will not be able to proceed with the visit.

I am looking forward to this lovely day out and the children are very excited too!

Thank you
Mrs Sollis
