17<sup>th</sup> November 2025

Dear Parents,

I have planned a trip for Wednesday 3<sup>rd</sup> December for Eagles to visit the Black Country Living Museum, which links nicely to our history topic of the census, where we have been exploring the lives of children in the past. The Black Country Living Museum is an open air museum formed of buildings carefully restored from all over the Black Country and is an incredible learning experience.

During our visit the children will get to become history detectives and find out about the lives of children from history as we walk in their footsteps. We will also get to experience a real lesson in a Victorian classroom. The remainder of our visit will be spent exploring the rest of the museum and spending time visiting some of the buildings. It is a really interesting place and one that will be memorable for the children.

We will be leaving at 8:50am promptly and should be back in time for the end of the school day (depending on traffic). We will keep in touch with the office, so if we are likely to be late Mrs d'Arcy will be in touch via text. Please ensure your child is at school when the gate opens at 8.30 so we can leave on time. Your child will need to bring a snack, water bottle and a packed lunch. Normal school uniform and a warm coat is to be worn please.

The cost of the trip will be £17.50. Please make payment via ParentPay, where you will automatically give consent for your child to attend the trip. Please note that if insufficient voluntary contributions are received, the school will not be able to proceed with the visit.

This will be a fantastic way to enrich our curriculum and enjoy a unique experience!

Thank you  
Mr Stinchcombe
