Dear Parents/Carers,

As part of our Design and Technology unit this Half Term we will be learning how to cut food safely, how to select fruit and vegetables to make a fruit salad, and how to physically make our planned fruit salad.

We would like to invite a parent/adult for each child to come along and work with your child to make their fruit salad on THURSDAY 26th MARCH at 2pm. This will be a whole class event in the school hall, led by myself, but giving you the opportunity to enjoy this activity with your child.

We will require you to bring a lunchbox and knife suitable for cutting fruit (wrapped in tea towel). The fruit salad can be taken home.

As you will be aware, fruit is very expensive! We would like to request a small £3 voluntary donation towards the cost of the fruit to enable this activity to go ahead, and thank you in advance for your kind donations.

Please reply using the form below to let us know if you can or can't make this event. I would like to reassure you that if you are unable to attend your child will still be able to take part and will work with a member of staff as an alternative.

We are really looking forward to this fun afternoon of D&T!

Kind regards,

Mrs Sollis
