Dear Parents/Carers,

We are pleased to inform you that we will be taking part in Neurodiversity Week again this year, which runs from 16th–20th March 2026. Neurodiversity Week provides an opportunity to recognise and celebrate the different ways that people think, learn, and experience the world. Every child is unique, and we celebrate that differences make our school community and our wider world stronger. Everyday in school, we celebrate the strengths of all children whether they are neurodiverse or not. We value every child's strengths, perspectives, and contributions, and we look forward to a week filled with learning, understanding, and appreciation of each other.

As part of Neurodiversity Week, we are excited to announce that we will be running a **Poster Competition** based on the theme: "Celebrating Differences – Equity and Equality"

Understanding the Theme

- **Equality** means everyone gets the same thing.
- **Equity** means everyone gets what they need to succeed.

Through this competition the children will explore how fairness sometimes means giving different support so that everyone has the same opportunity to thrive.

Competition Details:

- **Theme:** Celebrating Differences – Equity and Equality
- **Poster Size and materials:** A4 paper/card and any media
- **Closing Date:** Friday 20th March

All poster entrants will receive a certificate and prizes will be awarded. The posters will also be displayed in the school hall for everyone to enjoy!

As part of neurodiversity week, we encourage you to have conversations at home about kindness, fairness, inclusion, and celebrating different abilities and strengths. Your support in guiding and encouraging your child is greatly appreciated.

Mrs A Dodd
