6<sup>th</sup> May 2026

Dear Parents/Carers,

Y6 Bikeability Cycle Training - Monday 1<sup>st</sup>-Friday 5<sup>th</sup> June 2026

We are pleased that we are once again able to offer Bikeability training for our Y6 students, which will take place on Monday, Tuesday, Thursday and Friday of the week commencing 1<sup>st</sup> June.

Cycle training is designed to give the children the skills and confidence to ride their bikes on today's roads. There are three Bikeability levels, with each level designed to help improve their cycling skills, no matter what they know already. This course covers Levels 1 and 2 taking trainees from the basics of balance and control through making a journey on quiet roads.

This training will-

- Help pupils develop their skills and understanding as safe road users
- Promote physical activity as part of a lifelong healthy lifestyle
- Make a positive impact on pupils' personal development, building self-confidence and independence.

Please see attached letter from the Road Safety Team at Gloucestershire County Council, which provides further information about this scheme. The training will be provided by accredited National Standard Instructors. It is school's policy that all students wear a helmet.

This year we will not be asking for a voluntary contribution as Winchcombe Cycling Club has kindly offered to support our school and cover the costs. Please ensure you have read the attached notes and return the completed forms to the office by Wednesday 20<sup>th</sup> May at the latest, so that your child's place can be secured - thank you. Pages 2-4 must be fully completed and signed where appropriate please.

Yours sincerely

Mr A Sallis  
Headteacher
