Name tags and luggage labels

Please clearly mark all of your child's belongings with their name and their entire luggage with a label showing student name and school name. Students need to be able to carry their own luggage from the coach to their accommodation.

The following items should NOT be brought on the trip:-

- Mobile phones or other electronic devices
- Jewellery either expensive or of a sentimental value
- Other items of value or sentimental value
- Sharp or dangerous objects
- Any devices such as hairdryers and straighteners
- Aerosol cans (deodorant)
